2.2. Scholarships

2.2.2. Scholarships other than Government Schemes

A highly commendable and motivating initiative has been undertaken for the students of Government College Kafota, with the launch of two new scholarship schemes aimed at promoting academic excellence. Both scholarships will be awarded annually, and each year the academic toppers of the respective classes will be selected and honoured.

i. **Pundir Travels Academic Excellence Scholarship:**

The first scholarship scheme has been initiated by the distinguished social worker Mr. Atar Singh Pundir from village Dugana, and is titled the “Pundir Travels Academic Excellence Scholarship.” Under this scheme, two meritorious third-year students of the college: (1) Ashish Dhiman and (2) Chandrika Devi have been awarded an incentive amount of ₹ 2100 each, based on their outstanding academic performance reflected in their CGPA of the first and second years. These students are the selected recipients of the scholarship for the current academic session.

ii. **Jimoli Devi Memorial Academic Excellence Scholarship**

Similarly, the second scholarship scheme has been started by social worker Mr. Mamraj Sharma from village Kando-Dugana, in the sacred memory of his revered mother, Late Smt. Jimoli Devi. This scholarship is named the “Jimoli Devi Memorial Academic Excellence Scholarship.” Under this scheme, Neelam, a meritorious second-year student, has been awarded an incentive amount of ₹2100 for securing the best academic performance in her first year.

iii. **Donation of 70 Books to Meritorious Students by Smt. Pinki Ramaul**

Smt. Pinki Ramaul, author of *Himachal General Knowledge Xpress*, generously donated 70 copies of her book to meritorious students who were recipients of academic awards in the college. This contribution serves as both a recognition of academic excellence and a valuable addition to students’ learning resources.

The initiative is expected to motivate students to strive for higher academic achievement while strengthening their knowledge base. It also exemplifies meaningful community engagement and reflects a constructive partnership between society and the education system.
